CAMPING DOLCE VITA

HOW TO PRESERVE BIODIVERSITY AT YOUR VACATION SPOT:

Holidays are not without consequences on the surrounding biodiversity, here are some tips to limit their impact on the fauna and flora:

LET'S RESPECT WILDLIFE:

At the beach, let's use sunscreen adapted to the environment.

On land or at sea, let's make sure we never leave anything behind and carefully pick up our cigarette butts and packaging.

Follow the marked trails carefully and do not stray from them.

Let's keep our pets on a leash.

Let's keep a good distance from wildlife.

Let us respect the places and the beings who live there.

Let's not move stones and stumps so as not to destroy natural habitats.

Let's prioritize gentle water activities and contact a professional to discover protected areas.

LET'S RESPECT THE FLORA:

Let's favour non-polluting means of transport, such as walking or cycling, for short journeys.

Let's buy local to limit the transport of goods and pollution.

Let's not pick flowers, nor take sand or pebbles from the beach.

Let's not light fires outside authorized areas

Let's choose natural products to keep mosquitoes and other insects away

Let's sort our rubbish

Selective sorting collection points are at your disposal

Let's opt for a zero-waste picnic.
